LETTER OF PROMOTION

Dear Priya Agarwal,

Younity is a platform for ever-growing learners. It is a community where students come together and shape themselves for a better future. Younity guides the students at every walk of life, right from building the right skills to choosing opportunities after college.

We are delighted to inform you that you have been promoted to a **Team Buddy**, as you have successfully achieved all your targets during your internship as a Salesperson Intern. I congratulate you on behalf of the entire team for this achievement.

With a higher position comes greater responsibility, so we expect you to work with the same zeal towards achieving the goals of the company. Once again, many congratulations to you and all the best for your future growth.

Note: This offer letter will be considered as null and void if not presented with "Letter of Completion" or "Letter of Termination"

Warm regards,
MR. PRAFFUL GARG
